Dr. Gruber's Publications on Breast Surgery

- Gruber, RP., Methods to Produce Better Areola and Nipples on Reconstructed Breasts, Plastic and Reconstructive Surgery, 60: 505-513,1977
- Gruber, R P. Nutcracker technique for compression rupture of around breast implants Plastic and Reconstructive Surgery, 62:773-4,1978.
- Gruber, R.P., Friedman, G.D., The Pressures Generated by Closed Capsulotomies of Augmented Breasts, Plastic and Reconstructive Surgery, 62: 379-380, 1978.
- Gruber, RP., letter to the Editor regarding Complications from Closed Capsulotomy, Plastic and Reconstructive Surgery, 6, 71-83,1979.
- Gruber, RP. Reconstruction of the Nipple Areola Complex: A Review of Techniques Clinics of Plastic Surgery. 6, 71-83,1979.
- Gruber, RP. and Jones, H.W. The Donut Mastopexy: Indications and Complications Plastic and Reconstructive Surgery, 65: 34,1980.
- Gruber, RP, Kahn, RA., Iash, H., Maser, M.R and Apfelberg, O.B. Breast Reconstruction Post Mastectomy: A Comparison of Submuscular[and Subcutaneous Techniques, Plastic and Reconstructive Surgery. 67: 312,1981
- Gruber, RP and Jones, H.W. Review of Closed Capsulotomy Complications, Annals Plastic Surgery, 6: 271. 981
- Gruber, RP. Methods to Produce Better Areolae and Nipples on Reconstructed Breasts. Yearbook of Plastic and Reconstructive Surgery, 67: 453,1981.
- Gruber, RP and Friedman, GD. Subpectoral Augmentation Mammoplasty Through a Periareolar Incision, Plastic and Reconstructive Surgery, 67: 453,1981.
- Gruber, RP. and Friedman G.D. Subpectoral Augmentation Mammoplasty Yearbook of Plastic and Reconstructive Surgery,1981.
- Gruber, A.D, Matthews, S. and Gruber, RP Attempted Improved Mammography of Silicone implants by Electromagnetic Phase Transition. Annals of Plastic Surgery 31: 283-285, 1993.
- Gruber, A.D., Widenhouse, CW., Gruber, RP., and Mathes, S.J., Reducing the Leaching of Silicon-Containing Molecules from Silicone Elastomers. UCSF Journal of Medical Student Research 5:26,1997
- Gruber, AD., Widenhouse, C., Mathes, S. and Gruber, RP., Exhaustion Soxhlet Extraction for the Removal of Residual compounds to Provide a Non-leaching Silicone Elastomer. Journal of Biomedical Materials Research.53:445-S, 2000.
- Gruber, RP., Denkler, K. and Hvistendahl, Y., Extended Crescent Mastopexy with Augmentation. Aesthetic Plastic Surgery 30:269-274,2006.

Exhibits

- Gruber, RP. and Friedman, "Closed Capsulotomy: Pressures Generated" American Society of Plastic and Reconstructive Surgery, San Francisco, California, **1977 Won 2nd prize at the American Society of Plastic & Reconstructive Surgery.**
- Gruber, RP. and Albo, R, "Breast Reconstruction following Radical Mastectomy", American College of Surgeons, Dallas, 1977. **Video Presentations at Surgical Societies**
- Gruber, R.P. and Friedman, G.D. "Breast and Nipple Reconstruction Following Mastectomy: Emphasis on American Society of Aesthetic Plastic and Reconstructive Surgery, Miami, 1978.
- Gruber, R.P."Subpectoral Augmentation Mammoplasty Through a Periareolar Incision", American Society of Plastic and Reconstructive Surgery, New Orleans, 1980. **Won Best Video Presentation at the Am. Soc. of Plastic & Reconstructive Surgery.**

Chapters in Books

- Gruber, RP. and Friedman, G" Periareolar Subpectoral Augmentation Mammoplasty, In Breast Surgery. Ed. Georgiade Nicholas, Williams and Wilkins, 1989.
- Gruber, RP. and Friedman, G., Subpectoral Augmentation, In Plastic and Reconstructive Surgery of the Breast. R Barrett Noone, B.C. Decker, Inc. 1989.
